

Christmas Wrapping Game Instructions

1. Everyone form into Family teams.
2. Each person on the team must immediately place one hand behind his/her back. This hand cannot be used for the rest of the game
3. Anyone caught using both hands or switching hands is disqualified from the team but the team can continue without that person.
4. Everyone on the team must actively participate in the task.
5. You will be provided the box that is the gift, wrapping paper, tape and scissors.
6. Your task is . . . using only one hand per person you must fully wrap the gift you are given. Neatness counts and overly sloppy wrapping will be sent back.
7. The first team to neatly and fully wrap their gift without any of the box showing WINS!
